The requirements are clear if you want to guarantee yourself to succeed

1. If you have current account with any bank, request for a cheque book
2. If you don't have a current account and only have a savings account, request to open a current bank account. Remember, the Bank will ask that you get a referee for account opening
3. **If you cannot find a referee and you need the Agency to referee you, kindly go to Fidelity Bank Plc Branch located on Abakaliki Road, GRA on the same street as Shoprite/Polo Park Mall. Ask for Chisom: +2348037083490 to open the Fidelity Bank Current Account with respect to the Enugu SME Center Programs. Kindly ensure you have the following:**

  - b. **Valid ID**
  - c. **Utility Bill**
  - d. **N5,000 (Five Thousand Naira Only) Deposit to take care of the search, cheque book issuance and minimum balance requirements**
4. Then request for a cheque-book. Should take 7-10 working days
5. Once the bank has confirmed how long it would take for the cheque to be ready, call **Chinenye Linda +2348167030426 or Ugochukwu Oluchi +2349064109401** to update them on when your cheque is ready and a date for you to complete your documentation process, as we await your cheque, securing your slot
6. When coming for documentation ensure you come with the three (3) or Six (6) months account statement of the "savings" account you have transaction history with.
7. Get your documentation done as SME waits for your cheque
